Abstract

Chakravarthi Sreenivasa char, a resident of Melkote, brings to notice certain irregularities in connection with the utsavams, conducted on the 9th instant, in the chalurayaswamy temple at the place.

Made
Belupin no. 4341
of 21-5-05

He states that there was a large concourse of people in the temple, including Mr. Narayanaswamy Modliar, Dy. Amildar, Venkatarangiregar, a retired official of the Excise Dep^{ty} and ^{Mr. Narasimhachar} the Assistant to the Archaeological Dep^{ty}. The Dy. Amildar, in contravention of Govt^y order, allowed lectures on religious subjects (blaspheming the Dwaitas and Advaitas) to be delivered within the precincts of the temple, till a late hour in the night and consequently utsavams had, contrary to manual, to be unnecessarily postponed till 2 A.M. Devotees, who had come there to do Sanyas, were badly disappointed, and the fruits and flowers to the value of some

300 or 400 Rupees, which they had brought
to offer to the deity, withered. He prays
that orders may be issued to prevent such irregularities in future.

Note contd

Under the orders of the Secretary, a copy of the petition was sent to Mr R. Varasimha char M. A., Secy. to the Sabha and he was requested to furnish an explanation on the several irregularities contained therein.

The Secretary of the Sabha, in his letter of the 29th ultmo, states that the allegations made by the petitioner are false and malicious, with a remark that the petition looks like a pseudonym one. Since there does not appear to be any resident of Melkote bearing the pet'r's name. He however admits that the utsavam has to start about an hour later than usual this year, owing to the late distribution of Thirtha, and requests that strict orders should be issued to the temple authorities to have the thirtha distributed by 1-P.m. at the latest.

He adds that, being actuated by some party feeling, the petitioner makes the allegations with the sole object of discrediting the Sabha and creating a sort of prejudice against it in the minds of the authorities.

The Dy Commr was also requested to report on the several allegations & the matter is still pending with that officer.

Haq 9)

The Dy Commr, who was requested to report on the subject, states, in his letter of the 12th instant, as follows —

that a petition similar to the one under disposal was received in his office, which was referred to the Assistant Commr for report, and that the latter, after making a local enquiry, reported that the petition — appeared to be a pseudonymous one; that there were no irregularities in the celebration of the Vitsandam except a short delay, naturally expected in a place like Melkote, and that the lecture alluded to did not consist of expressions wounding the religious feelings of the Dewaities or Adwaities.

11/17/4)

As regards the authority under which the meetings of the Sabha were held in the temple, that officer submits a copy of Kanarese order of the 8th April 1906, directing that permission should be given

Muzrai Secretary's Remarks.

From the Deputy Commissioner's report ~~from~~ and that given by Mr. R. Narasimha Char, M.A., Secretary to the Sabha, it would appear that no sentiments calculated to wound the feelings of the Dvaita or Advaita sects were expressed at the Meeting held in the Belkote temple last year, and that the complaint made in the pseudonymous petition under disposal was the outcome of spite on the part of some person or persons ill disposed towards the Sabha. This explanation may be accepted.

The delay in carrying out the Utsava of the temple in consequence of the action of the Sabha, and the inconvenience caused to the public thereby appears also to have been greatly exaggerated in the petition question.

The following observations arise therefrom.

should be given to the complaints of even evil disposed persons by allowing such Sabhas to be held within the precincts of such important temples as that of Melkote. In this Office Memorandum Order No 3160, dated 9th April 1904, issued by Mr. D. Shara Rao, M.A., while officiating as Muzrai Secretary, the Peshkar of the Melkote temple was directed to give help to the Sabha in holding its Prize distribution Meeting in the temple. The holding of the Meetings within the temple precincts should, in my humble opinion, be ordered to be discontinued in future, as it would give rise to a demand in that behalf and lead to other sects of Brahmins asking for similar privileges, and probably occasion unpleasant scenes and disturbances similar to what happened last year. I am, for the reasons mentioned above, of the humble opinion that orders may be issued to the effect that, while Govt sympathizes with the objects of the Sabha, it considers it undesirable to permit the holding of the meetings of the Sabha within the precincts of the temple.

Secretary to the Government
of His Highness the Maharaja of
Mysore, Mysore Department
Bangalore.

Sir,

In reply to your letter No 4763
dated 27th June 1905 forwarding for report copy
of petition (herewith retransmitted) from
one Chakravarti Sreekrishna Acharya of —
Melkote, bringing to notice certain ir-
regularities in connection with the ut-
-sava conducted in the Sri Narayana-
Swami temple at Melkote on the 9th May 1905;
I have the honor to state that, a similar
petition from the same individual, re-
ceived in this Office by post on the 27th May 1905,
was forwarded to the Assistant Com-
missioner, French Rocks Division, for
disposal, whereon that Officer, after
enquiry

making a local enquiry has reported that the petition appeared to be a false-donymous one, that there were no irregularities in the celebration of the Utsav which took place on a grand scale except that there was a short delay in keeping up to the appointed time, naturally expected in a place like Melkote, where the Brahmin community preponderates and that the lecture referred to did not consist of expressions wounding the religious feelings of the Dwaities or Advaities.

2. As regards the authority under which the meetings of the Sabha were held in the Temple, a copy of Order No 3160 dated 8th April 1904, issued to the Reshtan of the Melkote Temple, by the then Officiating Secretary Madras Department, directing that permission should be given to hold the meetings in the temple and received with the accompanying G.O. No 1903/10 dated the 26th June 1905 from the Assistant Commissioner, Tanjore.

Rocks Division is herewith submitted
for reference.

I have the honor to be,
Sir

in reply to your docket No. 4764 dated 27th June 1905, I
have the honor to send for your kind perusal, an English letter
received from Mr. G. Subbasawmi Esq B.A., Superintendent, Industrial
School, Mysore; a Tamil letter from Brahma Sri Sēvēraṁ a
Sastriyar; and a Kanarese Mahazar from Melkote, signed
by respectable Brahman and non-Brahman residents of the place.

These enclosures, in my humble opinion, corroborate every one of
the statements made in my letter by you referred to above and prove
conclusively that the allegations made in the pseudonymous petition
are totally false.

The members of the Satha will feel highly thankful

Thankful if you will be so kind as to send me a reply in this
form and to send strict orders to the temple authorities at Alibet
so that the Uthman is distributed by all on the anniversary
day. The enclosure may kindly be returned again to me.
